INVITATION LETTER

Belarussian Federation of Radioamateurs and Radiosports, Belarussian Voluntary Military Service Assistance Society (DOSAAF), Mogilev City Executive Committee are glad to invite national team (individuals) of POLAND (LOK) to take part in the 5th HST International Tournament “Nations Cup”.

TIME and PLACE of EVENT:

3-7 May, 2006, Mogilev, Belarus. DOSAAF Technical School, located at – 11, ul.Simonova.

Contacts: +375222482021, +375297455474

ORGANIZATION AND TERMS OF PARTICIPATION:

All participants from abroad will be met and accommodated at the hotel “SIGNAL”, located 50 m distance from the place of competition.

Accommodation and full board (4-6 May) will be covered by the Hosts of the Tournament.

Participating Fee will be **30 EURO** per person to cover some organizational expenses.

CATEGORIES :

Participants will compete in the following categories –

M – Overall Males,

F – Overall Females,

JM 18 – Junior Males Under 18 (1988 year of birth and younger),

JF 18 – Junior Females Under 18 (1988 year of birth and younger),

SM 45 – Senior Males Over 45 (1961 year of birth or older),
SF 40 – Senior Females Over 40 (1966 year of birth or older).

In M and F categories competitors will be awarded separately for 4 tests (Reception, Transmission, Practicing RUFZXP, Practicing MorseRunner) and General Classification.

In JM18, JF18, SM45, SF40 competitors will be awarded only for their general positions, but at the same time they will compete in overall categories as well.

Teams (males or (and) females) should comprise of not more than 3 competitors each. But to have full team result a team must have 1+2 or 2+1 competitors, that is 1 M(F)+2JM18(JF18).

RULES :

All tests will be run accordingly to the New Rules for IARU HST Championships.

In Reception and Transmission tests new software will be used (compatible to Windows XP or higher). All competitors willing to get that new software consisting of licensed CD and pack of special cords for transmission will have an opportunity to buy it for 30 EURO per every package.

In Practicing tests RUFZXP (latest version) and Morse Runner (latest version) will be used.

We believe this will be a great opportunity to practice brand new experience at high level competition and test new Rules (such as additional attempt in Transmission) and software before going to IARU Regional 1 HST Championship.

We are looking forward in getting your soonest reply and confirmation about your participation!!!

Come to our land and you will never regret! Inform us about your wish to come not later than 25 March, 2006, so that we could arrange all paper work as regards obtaining visas for you.
